

**DECATHLON**

Decathlon Rental Section is a comprehensive service designed to help users Rental sports and outdoor equipment easily, try out different activities without upfront costs, and promote sustainable, budget- friendly fitness through this initiative.

# THE IDEA

Decathlon Rental is a concept designed to make sports more accessible by allowing users to rent equipment instead of purchasing it. It helps users try new sports, reduce upfront costs and enjoy more experiences while owning less.

## WHY RENT?

Try more: Explore sports without buying expensive equipment.  
Spend less: Reduce upfront equipment costs.  
Own less: Rent what you need, when you need it.

# THE PROBLEM?

Buying sports equipment can be expensive, especially for people who are trying a sport for the first time. Many users hesitate to invest in equipment they may not use regularly.

## HIGH COST

Sports equipment can be expensive, especially for beginners.

## LOW USAGE

Users hesitate to buy equipment they may not use regularly

## TRY BEFORE BUYING

Users want to explore new sports before investing in equipment

## RESEARCH AND USER

### Secondary Research

What I explored

- Sports industry and equipment ownership
- Cost barriers for beginners
- Consumer behavior
- Benefits of renting vs. buying
- Opportunities for Decathlon

## USER PERSONAS

Who is the user?

A young sports enthusiast who wants to explore different sports but doesn't want to spend heavily on equipment before knowing whether they'll continue.

## Brand and Visual Exploration

DECATHLON

DECATHLON

A simple, energetic identity created to make rental feel accessible and easy to recognize.

## CAMPAIGN CONCEPT

PLAY MORE. OWN LESS.

Play more sports without thinking about the cost of equipment.

A rental- first approach that makes sports more accessible by reducing the upfront cost of equipment and encouraging people to try more.

**Badminton:** Try the sport, rent the gear, and play without the commitment of ownership.

**Running:** Get the right gear and hit the track without the cost of buying everything.

**Cycling:** Rent a bike, explore new routes, and enjoy the freedom of ride more.

# MOODBOARD

Exploring movement, accessibility, energy and the freedom to experience more.

PLAY MORE. OWN LESS.

The overall direction keeps the experience young, active and practical, while reinforcing the idea of making sports accessible without the pressure of buying expensive equipment.

## LOGO TYPOGRAPHY

The existing Decathlon word mark was retained to maintain brand recognition and ensure consistency with the parent brand Identity.

Source Sans 3

A clean modern and highly readable typeface used across UI, campaign communication and supporting visuals for the overall presentation to make a accessible visual experience.

# CSR CAMPAIGN

A responsible approach to sports equipment that encourages accessibility, reuse and more conscious consumption.

As a part of Decathlon Rental concept, the CSR initiative focuses on making sports equipment more accessible to school students by providing opportunities to experience different sports without the need for expensive equipment.

## ACCESS

Make sports equipment accessible to students across schools.

## DISCOVER

Help students explore different sports and find what they enjoy.

## PARTICIPATE

Encourage more students to actively engaging sports.

# DESIGN APPLICATIONS

Integrated the custom Decathlon shopping bag into both the browser tab and app dock.

Translates physical retail branding into minimalist software UI elements ( browser favicon and system dock).

Developed a tri-fold marketing brochure for Decathlon Rental. Highlights sustainability and affordability with the taglines. Features a step by step guide alongside clear value propositions.

## Decathlon Rental

A UX and visual communication project focused on making sports more accessible and affordable through equipment rental.
